

Keswick Rambling Club and the COVID-19 restrictions

Following the announcement on 31st October of the lockdown in England from Thursday 6th November until Wednesday 2nd December the walks on 15th and 25th November have been cancelled.

If the lockdown is not extended it is anticipated that walks will re-commence on Sunday 6th December. A further announcement will be made with arrangements from that date, hopefully towards the end of November.
